NARRATIVE

Driver was HBD and states took the turn too fast. Driver lost control of vehicle, drove it up embankment, impacting two trees. Vehicle came to rest with passenger side on ground, partially on sidewalk. Driver and passenger fled the scene on foot to driver's residence. Both were contacted shortly after.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

CASE # 15-00203848

DATE AND TIME
OF COLLISION 12/28/15 22:38

On 12/28/15 at approximately 2239 hours, I, Officer Kristen Parnell, was dispatched to a collision that had occurred at about the 2300 block of 89th Ave NE in Lake Stevens. Dispatch notified me that the reporting party stated that the vehicle had flipped over and a male and female were fleeing from the scene. The fleeing couple were reported to be headed southbound on foot on 89th Ave NE.

When I arrived on scene I saw a blue Acura hatchback with Washington license ALS1530. The passenger side of the vehicle was on the ground with the tires facing west. The hood of vehicle was facing north. The vehicle was in the roadway with the front end partially on the sidewalk.

I approached the vehicle and saw that no one was inside.

I ran the license plate through dispatch and found that the registered owner of the vehicle, Jaylie T. Xiong (DOB 06/14/75) lived just south of the location of the collision.

Upon further examination of the area surrounding the collision, I found that the vehicle struck two trees before finally coming to a stop. The trees were planted on hill just off the side of the roadway in an area owned by a local Home Owner's Association. The first tree was leaning to one side and the second was knocked completely over. There was also pieces of the vehicle scattered in the trees and bushes nearby, including a side mirror and a piece of the bumper.

I took pictures of the vehicle and the trees that were struck. The pictures were burned to a CD and entered into evidence at the Lake Stevens Police Department. For additional information regarding the collision, see the attached Sector report.

Sgt. Miner drove to Jaylie's address, located at 8406 19th St NE. When he arrived he contacted Jaylie's son, Israel T. Xiong (DOB 08/20/96), and Brianna M. Gutierrez (DOB 06/13/97). Israel admitted that he had been driving and that Brianna had been in the car with him. He told Sgt. Miner that he had been drinking and fled the scene because he was scared. For more information, see Sgt. Miner's narrative.

Israel provided a written statement in which he stated that he had been driving too fast and lost control of the vehicle.

I called a tow truck to remove the vehicle from the scene.

Officer Hingtgen picked up Gutierrez from Israel's house and gave her a ride home.

Sgt. Miner drove Israel back to the scene to try to find his cell phone and Gutierrez's purse and cell phone. We were unable to locate any of these items.

While at the scene, Israel approached me to ask if Gutierrez was okay. When he approached me, I immediately noticed a strong odor of intoxicants coming from his person.

Israel received a traffic citation for Hit and Run. He also received citations for Reckless Endangerment and Minor in Possession of Alcohol. I provided a copy of the citations to him along with a copy of the tow form with instructions for picking up his vehicle.

I explained to him what he was being cited for and told him his court date. I asked if he had any questions for me and he stated that he did not.

At about that time Israel's parents arrived on scene. His parents asked me what had happened and I explained the collision and what Israel had been cited for. Israel's parents gave him a ride home from the scene.

Sgt. Miner and I cleared the scene at approximately 2348 hours.

CASE # 15-00203848

DATE AND TIME
OF COLLISION 12/28/15 22:38

Summary

Informational report on a civil issue concerning child transfer between parents.

Narrative

On 12-28-15, at around 2238 hours, Officer Parnell and I were dispatched to the area of 2300 89 AVE NE on a collision. We were informed that a vehicle had just crashed and was on its top. We were also told that a male and female were fleeing the scene southbound on 89 AVE NE.

Upon arrival in the area, we found the vehicle, ALS1530 2006 Blue Acura, laying on the passenger side. We took a closer look and found no one inside or around the car. Officer Parnell remained at the scene as I continued down 89 AVE in hopes to locate the occupants. I did not locate anyone walking on the road. A records check showed that the vehicle was registered at a nearby home, just south of the collision, at 8406 19th ST NE.

I responded to the registered address and found the inside lights on to the home. I rang the doorbell; to which the light immediately turned off. I waited a minute and knocked on the door. The lights turned back on and Suspect Israel Axing opened the door. I noticed a small fresh abrasion on a finger of his left hand and asked him if he was ok for we were worried about him. Axing stated he was fine, but a little shaken from the crash. I asked Axing what happened with the accident. He stated he was drinking heavily and then crashed his car. He said he got scared, so he ran away. I asked if he needed to have an AID car to come and check him out and he declined. While I was speaking with him, I could smell a very strong odor of alcohol coming from his person. I also noticed that his eyes were bloodshot. Axing had difficulty keeping his balance and had to use the door and the door frame to support him.

I asked him to tell me the whole story about what happened. Axing stated he had been drinking a lot and decided to go to Norm's Market. He said he got into the car and began driving to the store. He said he was going way to fast around the curve and lost control of the car. He said he could not regain control and the car went off the road and flipped onto its side. Axing said he got scared about being arrested for DUI, so he exited the car and ran home. I asked Axing if he was willing to fill out a witness statement to what happened, and he agreed. Axing was provided a statement form to which he filled out and signed. I later turned this statement over to Officer Parnell.

I asked if he was by himself and he said he was. I informed him that the caller stated there was a female that fled the scene with him. He denied this and stated he was by himself. I asked if there was anyone home with him and he said no. He stated his parents were in California and he was alone. By this time, Officer Heighten arrived to assist me. Axing was explained that we did not believe his story and were concerned for the safety of his female passenger. He finally stated that his 18 year old girlfriend was in the car with him.

We asked to have her come to the door. A short time later, Britannia AM. Gutierrez,

came to the door. I asked if she was ok and she said she was fine, just a bit shaken up. I asked if she needed an AID car to come and check her out and she declined. Gutierrez said she was just scared and wanted to go home. I obtained all of her information and Officer Heighen provided her with a ride to her home.

After consulting with Officer Parnell, who was still at the scene, it was decided that we would not arrest Axing for DUI. We would, however, issue him a citation for the charges of Hit and Run (fleeing the scene of an accident with property damage), Minor in Possession/Consumption of alcohol, and Reckless Endangerment (drinking and driving and causing a collision with a passenger in the car). Axing requested to go back to the scene to obtain some property from the car. I drove him back to the scene. While he looked through the car, I wrote the citations which were served on him by Officer Parnell.

This concludes my involvement in this case. Please refer to Officer Parnell's collision report and initial report for further information.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING STATEMENT IS TRUE AND CORRECT, AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.
